War Department,

Adjutant General's Office,

Washington June 16 1887

May 13

This man deserted on or about 1864, but as he returned to the service on or about April 3, 1865, under the President's Proclamation dated March 11, 1865, and appears to have complied with the conditions thereof (so far as not waived by the Government), the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from on or about May 13, 1864, to on or about April 3, 1865, cannot, however, be expunged.

Before Le A. Noble

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. b. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspection, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1560 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, tabularia, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DISPOSITION.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detached to the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to departmental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; and that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

FINAL STATEMENT

OF

Private Emory Delany

14th Reg't of Kentucky

VOLUNTEERS.

Dis June 7 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement as directed by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered.

NOTE 6.—Amounts due the Surtler and Landron must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, either when the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *f. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1233 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, &c., or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detached, sent to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill up and sign the surgeon's certificate, and forward them to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, and that the soldier is furnished with the proper final statement in duplicate, and forward them to the Adjutant General in duplicate, and forward them to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

ARTICLES OF WAR.

ART. 25. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have caused to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 121. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 25th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station distant from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his death; which report will be noted on the next muster-roll of the company to which the man belonged. Such inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 122. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his death, they shall be deposited by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 123. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

VOLUNTEERS.

Disch Oct 10. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the loss of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant General of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Statements due the Soldier and Lieutenant must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1, 2, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1300 Regulations, Edt. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs assigned by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his own endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; and that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A recruit must, in all cases, provide payment of pay, bounty, pension, &c. A recruit is not bound in all cases, he filed in the Adjutant General's Office as evidence of receipt. The recruiting officer, commissary, or assistant commissary of recruits, as the case may be, will countersign both enlistments as having furnished the soldier into the service of the United States before either of them is given to the recruiting officer.

ARTICLES OF WAR.

ART. 22. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 22d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station absent from his regiment, it will be the duty of his immediate commander to furnish the necessary information, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be entered, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal receipt is received for the effects, it will be stated in the report. If the receipt is not received, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be entered, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased before these inventories are sent to the Adjutant General, their receipt therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the office.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the office.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound, or disease, the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of them certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given by the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon-in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1209 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

FINAL STATEMENT

P. OF
Joseph Condit
14 Reg't of New York Infantry

VOLUNTEERS.

Discharged 1. 1864.
Wayne Co. Va.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact, and also to the time he was pay due for having been so mounted on his own horse.

NOTE 3.—Amounts due the Soldier and Landworn must be entered on the Muster Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 4.—This blank will be used for deceased volunteers as well as others.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from our company commander, and, having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this office. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the muster roll upon which the soldier's discharge is reported, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

Brig. Gen. N. C. McLean:

General: You are, doubtless, aware that an order has been issued from Gen. Burnside's office fixing Friday Nov. 13th as the day of execution for Henry P. Estep, the prisoner in the Hospital you were kind enough to take some interest in when you were here. Col. Pierson informs me that he is advised by Col. Anderson, and I believe also by yourself, that an application had been made to the President for a postponement of the execution of his sentence until a full examination could be made as to the truth of his statements. The Colonel has been expecting some order to that effect but as yet none has arrived.

It is now within eight days of the day appointed for his execution, and I have feared that in the great press of military business the case of this unfortunate man might be overlooked until it should be too late. Can you take any further steps to secure an early and favorable consideration of the matter? I have no wish to be troublesome in this case, but it would seem very hard to me to have this man die, without a review of the whole matter by some competent person or persons. A word from you may do great service to this poor man.

Very Respectfully,

Your obedient servant

GENERAL ORDERS, }
No. 89

I...At the General Court Martial which convened at Camp Morton, near Indianapolis, Indiana, on the 6th day of November, 1862, pursuant to Special Orders, No. 98, series of 1862, from these Headquarters, and of which Colonel JOHN S. WILLIAMS, 63d Regiment Indiana Volunteers, is President, was arraigned and tried:

Private Reuben Stout, Company K, 60th Regiment Indiana Volunteers.

CHARGE:

"Killing in violation of the laws of war."

SPECIFICATION 1st: "In this, that he, Reuben Stout, a private of Company 'K,' 60th Regiment Indiana Volunteers, did, with malice aforethought, wantonly and maliciously kill and murder Solomon Huffman, a citizen of the United States, by shooting him with a ball from a gun or pistol. This at Madison Township, Carroll County, Indiana, on or about the 14th day of March, 1863."

SPECIFICATION 2d: "In this, that he, Reuben Stout, private of Company 'K,' 60th Regiment Indiana Volunteers, having deserted his company and regiment, did, while such deserter, with malice aforethought, wantonly and maliciously kill and murder Solomon Huffman, a citizen of the United States, by shooting him with a ball from a gun or pistol, and while he, the said Huffman, a citizen of the United States, was engaged

being contained in any of those articles, was not within the jurisdiction of the Court. It was properly within the jurisdiction of a Military Commission.

No sufficient allegation of time is set forth in the specification of the second charge. The record shows that evidence of general character was admitted, and does not exhibit the action of the Court, or the objection thereto made by the accused.

On account of the defects, the sentence of the Court cannot be carried into effect. Enough appears in evidence to show that had the charges been more carefully prepared, and the case prosecuted before a Military Commission with proper fidelity and efficiency by the Judge Advocate, a similar sentence might properly have been adjudged.

VII...In the case of *B. F. Graves*, (as in the preceding case tried by the same Court,) the first charge was not within the jurisdiction of the Court. The specification of the second charge does not contain a sufficient allegation of time. On account of these defects the sentence of the Court cannot be carried into effect, but the evidence would, had more care been bestowed upon it, and the charges properly drawn and prosecuted, probably lead to a similar sentence.

The Judge Advocate, who tried the two foregoing cases, is severely censured for negligence and want of care and skill in the conduct of the trials.

VIII...The prisoners *Ambrose Stanley* and *B. F. Graves* will be sent under proper guard to Cincinnati, Ohio, and delivered into the custody of the Provost Marshal General of the Department of the Ohio, who will retain them in strict confinement.

BY COMMAND OF MAJOR GENERAL BURNSIDE.

N. H. McLEAN,

Assistant Adjutant General.

OFFICIAL:

Assistant Adjutant General.

in the lawful attempt to arrest the said Reuben Stout as such deserter; the said Solomon Huffman having at the time lawful authority to assist in the arrest. This at Madison Township, Carrol County, Indiana, on or about the 14th day of March, 1863."

CHARGE 2d:

"Desertion."

SPECIFICATION 1st: "In this, that Private Reuben Stout, of Company 'K,' a regularly enlisted man of the 60th Regiment Indiana Volunteers, did desert his company and regiment. This at or near Indianapolis, Indiana, on or about the 1st day of April, 1862."

SPECIFICATION 2d: "In this, that Private Reuben Stout, of Company 'K,' of the 60th Regiment Indiana Volunteers, did desert his company and regiment, and remain away until his arrest, on or about the 24th day of March, 1863. This at or near Indianapolis, Indiana, on or about the 24th day of November, 1862."

To all of which charges and specifications the prisoner pleaded *"Not Guilty."*

FINDING AND SENTENCE:

After mature deliberation on the evidence adduced, the Court finds the prisoner, Private Reuben Stout, of Company "K," 60th Regiment Indiana Volunteers, as follows:

Of the 1st specification, 1st charge, *"Guilty."*

Of the 2d specification, 1st charge, *"Guilty."*

Of the 1st charge, *"Guilty."*

Of the specifications, 2d charge, *"Guilty."*

Of the 2d charge, *"Guilty."*

And the Court does therefore sentence him, the said Reuben Stout, private of Company "K," 60th Regiment Indiana Volunteers, *"To forfeit all pay that may be due him, and that he be shot to death with musketry, at such time and place as shall be fixed by the Commander of this Department."*

SPECIFICATION: - In this, that the said B. F. Graves, rebel soldier, on the — day of April, 1863, being then there a rebel soldier, belonging to the service of the enemy, 2nd Ky. rebel Cavalry Regiment, John Morgan's rebel Brigade. He, the said B. F. Graves, was absent from his regiment and the command to which he belonged; he was within the Federal lines when captured by a squad of Federal Infantry, and then and there, when arrested, was wholly clothed in citizens dress, and he, the said Graves, when arrested, was passing himself under an assumed and false name, thereby attempting to deceive Federal Soldiers as to his identity.

To which charges and specifications the prisoner pleaded as follows:

Of the 1st specification of the 1st charge, with the exception of "*being concealed*," "*Guilty*."

Of the 2d specification of the 1st charge, with the exception of "*being concealed within the Federal lines, and dress wholly in citizens clothing*," "*Guilty*."

Of the 1st charge, "*Not Guilty*."

Of the specification 2nd charge, "*Not Guilty*."

Of the 2d charge, "*Not Guilty*."

FINDING AND SENTENCE:

After maturely considering the evidence adduced the Court finds the accused, B. F. Graves, as follows:

Of the 1st specification, of the 1st charge, "*Guilty*."

Of the 2d specification, of the 1st charge, except the words, "*entering into an agreement to pass our lines*," "*Guilty*."

Of the 1st charge, "*Guilty*."

Of the specification, 2d charge, except the words, "*passing himself under an assumed name*," "*Guilty*."

Of the 2d charge, "*Guilty*."

And the Court does therefor sentence him, the said B. F. Graves, of Duke's Regiment, Morgan's rebel Brigade, "*To be hung by the neck until he is dead, the time and place of execution to be designated by the officer approving and ordering the execution of this sentence*."

VI...In the case of Ambrose Stanley, the Commanding General has directed the following remarks to be made: All cases cognizable by General Courts Martial, are defined in the Articles of War. The first charge not

II...The proceedings, findings and sentence in the case of Private *Reuben Stout*, Company "K," 60th Regiment Indiana Volunteers, are approved and confirmed. The prisoner will be sent under proper guard, and delivered into the custody of the Commanding Officer on Johnson's Island, Depot of Prisoners of War, near Sandusky, Ohio. The Commander of that Post will see that the sentence is duly executed at that Post, between the hours of 12 o'clock, noon, and 3 o'clock, P. M., of Friday, June 26, 1863."

III...At the General Court Martial which convened at Louisa, Lawrence County, Ky., on the 6th day of March, 1863, pursuant to Special Orders, No. 12, current series, from Headquarters, District of Eastern Kentucky, and of which Major S. M. Ferguson, 39th Infantry Kentucky Volunteers, is President, was arraigned and tried:
Private *Henry P. Estep*, Company "H," 14th Infantry Kentucky Volunteers.

CHARGE 1st:

"Desertion."

SPECIFICATION: "In this, that the said *Henry P. Estep*, Private of Company 'H,' 14th Infantry Kentucky Volunteers, did absent himself from his company and regiment without leave, on the 21st day of April, 1862, while on the march to Cumberland Gap, at or near London, Ky., and did not return until arrested and brought back under guard, the 3d of April, 1863."

CHARGE 2d:

"Aiding the enemy."

SPECIFICATION: "In this, that the said *Henry P. Estep*, did, on or about the 15th day of September, 1862, join the Confederate forces under Captains *Blevins* and *Henry*, and did so remain

Of the specification, of the 1st charge, "Guilty."

Of the 1st charge, "Guilty."

Of the specification, of the 2nd charge "Guilty."

Of the 2d charge, "Guilty."

And the Court does therefore sentence him the said Ambrose Stanley, "To be hung by the neck until he is dead. The time and place of execution to be determined by the officer approving and ordering the execution of this sentence."

2d B. F. Graves, Rebel Soldier, Duke's Regiment, Morgan's Rebel Brigade.

CHARGE 1st:

"Remaining and being found concealed inside the Department of the Ohio, and within the Federal lines, in direct and wilful violation of General Orders No. 38, from Headquarters, Department of the Ohio."

SPECIFICATION 1st: "In this, that the said B. F. Graves, rebel soldier, on the 23d day of April, 1863, being then and there, a soldier belonging to the 2d Ky. Rebel Cavalry Regiment, John Morgan's rebel Brigade, was arrested or taken prisoner by a squad of Federal Infantry, in the county of Ohio, State of Kentucky, and within Federal lines. To Major General A. E. Burnside, Commanding
Department of the Ohio:

General: The undersigned, a
prisoner, under sentence of death, begs leave, in this
form, to present for your consideration, a brief
statement in explanation of facts already in your
possession. I was convicted of the charges against
me on my own confession, but I was not permitted
to offer the mitigating facts and explanations which
I now beg leave to offer.

The cause of my leaving my regiment was
that I had been sick for about four months. My
regiment was frequently on the march and I could
not keep up with it. When on a march I left not

To my regiment I would have made you a
a good and faithful soldier. My heart is and
has ever been with the cause of the Union and
against the rebellion. I now pray you to
secure me, through the exercise of your own authority,
or through your influence with the President, a
sufficient period of time, to give me opportunity
to set forth these explanations and palliations of my
offence, so that I may avert the dreadful fate
which now impends over me. I have a wife and
four children; very needy and dependant, whose
condition weighs heavily on my heart. For their sake
I implore you, show me all the favor in your power

intending to stay away, but to go home and by rest and care, if possible regain my health, and then return to my duty. I remained at home three or four months, my health in that time making very little, if any improvement. At this time the enemy came in all around me, and I could not get away, nor get my family away. I was counselled by my friends to give myself up to them, and a promise was made me by Capt. Blevins, commanding Company K, 5th Kentucky Infantry, in the rebel service, that if I did so, I should be allowed to stay at home. I then gave myself up to him, but instead of being allowed to go home, they kept me for three or four weeks within their lines. The Regiment was finally

disbanded, when I went home and remained there until I was arrested. When in the Confederate camp I gave them no aid, counsel, or information whatever. They urged me to enlist in their service, but I steadily refused to do so. I simply staid in their camp until allowed to go home. Capt. Blevins has since taken the oath of allegiance to the United States, and is at his home in Johnson county, Ky. I desired to secure his attendance at the Court Martial. I was assured by the Judge Advocate that I would not be tried without Capt. Blevins being summoned. but the next day I was pushed to trial without him, so that I was deprived of the benefit of his testimony. Had I been permitted to return

NOTE 1.—This blank will be used for both statements and re-enlistments—statements of veterans, etc., in the volunteer service. They will be made out by Regiments in all cases—use to accompany the recruiting statement of the superintendent (not the recruiting agent) to the Adjutant General, and use to accompany the statement of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A recruit must, in all cases, provide payment of pay, bounty, pension, etc. A recruit will not work, in all cases, to that in the Adjutant General's Office as evidence of receipt. The recruiting officer, commissary, or assistant commissary of recruits, or the one may be, will guarantee both enlistments as having received the soldier into the service of the United States before either of them is given to the recruiting officer.

They will be made out in duplicate in all cases—one to accompany the recruiting returns of the recruiting officers (and the recruiting officers) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.
NOTE 2.—An enlistment binds to service. A recruit is not, in all cases, precluded payment of pay, bounty, pension, &c. BEFORE C. A. Wood

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h*, *i*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1360 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, A. Fletcher
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the
duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting
service. This soldier has black eyes, dark hair, fair complexion, is 5

Decatur Ga Sept 11th 1864

Army of Ohio

Major I have the
honour to respectfully ask for a leave of
absence for 30 days. My reasons are as follows

I am Quarter master of the 14th Regt Cavalry in
this capacity I was placed for horses and cavalry
equipment to mount a portion of the 14th Regt
When the regiment was ordered to the front I had
the rest of the Equipment was ordered to the front I had
the Ordnance officer would not receive them
I was forced to take them. Since they have
been inspected and the inspecting officer
recommended that they be turned over to the
Ordnance officer at Decatur

On the 1st of Oct 1863 I was appointed by Col
G. W. Gallop then commanding the district of
Eastern Ky Quarter master of the district. In this
capacity I had at times nearly 2000 animals
to supply with forage and I purchased a large
amount of forage and feed. When the regiments
was ordered to the front Col Gallop did not give

... sufficient time to close up my accounts with all from whom I had made purchases.

I also have unsettled business with the 39th and 68th Regt Militia and the 11th Mich Cav regt then under Col Gallups command all of whom drew supplies from me and I cannot make my final settlement with the 2^d M General until all these are closed up.

Third

During the period above spoken of I acted in the double capacity of Adj. 2^d M for the District and Regimental 2^d Master and the amount of business in the first prevented me from making out my reports as Regt 2^d Master and my pay has been stopped for the same reason of these accounts.

Fourth

As I was ordered to turn over all my affairs before I came to the front, and fearing I might not be able to get more, I left all my important papers (which in my double capacity have become very voluminous) at Louisville and Louisville for safe keeping and without them I cannot settle with the Captains of Companies; and, as the regiment has now less than three months to serve it is very important that I have them at once.

Fifth

I have never had leave of absence for a day

since I have been in the service

I therefore respectfully ask that my request
be granted that I may turn over the Ordnance
I have in my possession, settle up my business
and make out my reports
to the Quartermaster General

I am Major

(A. G. O. No. 14 & 15.)

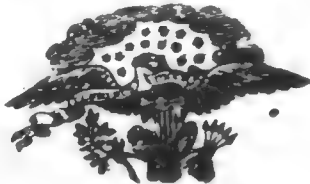

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of recruits, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return, the other to be forwarded (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A recruit must, in all cases, precede payment of pay, bounty, pension, &c. A recruit-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of service. The recruiting officer, commanding, or assistant commanding of recruits, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

Application for Leave of
Absence and Statement of
Reasons for So Doing

I am Major your old servant
with high regards
G. W. Hornsby Col
14th Regt 20th

St. Louis, Missouri, 14th Sept, 1861
In presence of Atlanta, Ga.
August 14th 1861

Major J. A. Campbell A. G. 23rd A. G.

I would most respectfully
submit the following statement as my reasons
for applying for a leave of absence at this time
I have been engaged since the month of
April 1861 in the Kentucky State or United
States service. I am responsible for 300 slave
arms used by my Regt while they were
Home Guards in the State of Kentucky.

In August 1861 I applied to Maj. Genl. Under-
-son then commanding the military dis-
-trict of Ky for permission to raise a Regt.
I accepted while a Citizen for all the
Clothing, Camp & Garrison Equipage, Quarter
-masters and Subsistence were furnished
-for the outfit of a Regt of 950 men, and a
sum of assistance in recruiting the men.
I also received and issued the money of
the Ordnance to the Regt.

At the Organization on the 19th November
1861 I was obliged to take the position of

Regt 2^d Master in order to settle up my books
in which position I continued until the 11th of
June 1862 when I was commissioned as 1st Lieut
in the Regt and was soon after detached as
Brig. Staff Surgeon to the 7th Div. of
the Staff and remained away from my
Regt until the 20th of Sept 1862. On the 13th of Jan
1863 I was promoted to the Colonelcy of the Regt
and soon after was detached from it and have
so remained until the 12th of May 1864 when I
was relieved of my command in East Ky
and have since been with the Army of the Ohio
in the present Campaign -

During this my military career I have made
out my reports but never have submitted up
as a portion were unfortunately lost on the retreat
of the 7th Division from Burnsville and Gap

I am therefore responsible for a large
account of 2^d Master Commissary and Quartermaster
stores some of which has been accounted for

All the original Captains of Companies
in my Regt have resigned been killed in
action or died. - Some of the present officers
can settle until I settle up my accounts

and all have been recommended to
stop for a few days if not all of them
have submitted to depend on their pay for sub-
sistence and the comforts of life.

I ask leave again of a leave in this case the
next month until myself of the services of a man
eminently qualified to assist me in the adjustment
of my papers and who is personally interested in
this adjustment and for the further and most
weighty reason of all that unless I do settle my
accounts up before the expiration of my term of ser-
vice that I must suffer greatly in a pecuniary
point of view as well as in loss of time and be obliged
to stand as a delinquent as regards my returns
to the several Departments to which they are due
if I am not disgraced. I have never asked
or had an hour leave of absence or been unfit
for or excused from duty a day since I have been
in the service, I have officers who are competent
and eminently qualified to command
the regiment in my absence in the field during
my absence. I therefore most respectfully and
warmly ask that if at all consistent with the
good of the service my request be granted
over

Sir I would
respectfully ask leave of absence for
30 days for the purpose of transacting busi-

had, leave of absence for a day, since
I have been in the service, nor

Adjutant General's Office,

Washington,

May 27, 1863.

Sir:

In reply to your letter requesting a Descriptive List of Volunteers Regiment 14th in Company "B" 14th following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Henry H. Garrison a Private in Company "B"
14th Regiment of Pa. Volunteers, is 18

years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 10 day of April, 1863.

at the town of Lewis in the State of Pa.
by H. Davidson, and mustered into the service of the United States on the 11 day of June, 1863, at the town of Lewis in the State of Pa.
by Samuel Henderson, to serve for the period of 3 years, or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of Oct. 31 63 that he was last paid by Paymaster Wm. Brock to the 1 day of April, 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

(A Muster Roll) is reported "found" in the Company's files of April 1st, 1863.

Very respectfully,

Your obedient servant,

Richard D. Lee

Assistant Adjutant General.

To Cap. & Lieut. 14th

Wm. Brock
Commander

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled by the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."
